RE: In Re National Prescription Opiate Litigation  
Case No. 1:17-MD-2804  
Third Production of Documents Regarding Jurisdictional Discovery

Dear Mark:

On behalf of Teva Pharmaceutical Industries, Ltd., we are producing to you via secure file transfer documents responsive to Special Master Cohen's April 3, 2019 Ruling Regarding Jurisdictional Discovery on Defendants Allergan, Teva and Mallinckrodt and Special Master Cohen's May 27, 2019 email directing the Teva Defendants to produce additional documents. These documents are Bates labeled TEVA\_MDL\_JD\_006243. We are initially producing these documents in Excel format directly to you and will make a full production of the same documents in native format to Ricoh. They consist of a ledger of accounts payable to Teva Pharmaceuticals Industries, Ltd. from subsidiaries of Teva Pharmaceutical Industries, Ltd. in the United States.

Teva Pharmaceutical Industries, Ltd. is producing the enclosed documents and information with the understanding that you will afford the protections provided by the Case Management Order Two: Protective Order (Docket No. 441), entered by the Court on May 15, 2018.

To that end, Teva Pharmaceutical Industries, Ltd. hereby designates materials in this production – which contain proprietary, trade secret, and confidential business and commercial information – as "HIGHLY CONFIDENTIAL."

Please do not hesitate to contact me at the number above if you have any questions.
